Cert. App.	Guidelines	Level 1	Level 2	Level 3	Level 4	Comments
		Emerging	Approaching Implementation	Implemented	Comprehensive	
Q.	REDUCE					
3.1	1) paper use by photocopying on both sides of paper whenever possible;					
	2) paper use by purchasing printers that can print on both sides of the paper;					
3.2	3) electronic methods (email, website) are used when communicating with parents. If printed communication is necessary, a sibling list is used;					
3.3	4) food-related waste by implementing a waste-free lunch system.					
	REUSE					
3.4	5) paper by organizing a "Re-use Box" for half-used paper that can be used for rough work and art projects;					
3.5	6) mugs, glasses, plates and utensils – avoid using disposable dishes as much as possible;					
3.6	7) furniture and equipment by advertising unwanted items internally within the Board.					
	RECYCLE					
3.7	8) all paper products using a paper recycling system set up in all offices and classrooms;					
3.8	9) cans and containers using a container recycling system set up in strategic locations throughout the school;					
3.9	10) photocopier toner bottles are put back into the returnable box for exchange (if applicable);					
3.10	11) printer cartridges are collected at a central pickup location.					

* Follow-up EcoReview must be completed at least 3 months after the initial EcoReview to be eligible for certification.

January 31st is the deadline to input the results of the Initial EcoReview. April 30th is the deadline to input the results of the Follow-up EcoReview. See www.certapp.ontarioecoschools.org for more details.
