

Student Presentation Session Notes

Use this worksheet to take notes during the student presentations and to guide your group's discussion after each session.

Session One – [enter title/topic of presentation]

Background information: [enter school name and background info]

Some questions to consider...

- What are some characteristics of this EcoTeam?
- What ideas/information is new and useful?
- What are our next steps or follow up items?

Session Two – [enter title/topic of presentation]

Background information: [enter school name and background info]

Some questions to consider...

- What are some characteristics of this EcoTeam?
- What ideas/information is new and useful?
- What are our next steps or follow up items?

Our school's next steps

- Who do we need to talk to in our board/school to incorporate some of these ideas?
- Can we set a goal for using this information (i.e., complete a waste audit by Jan. 31st, plan an EcoTeam strategy session by _____)?
- Who will be responsible for moving these ideas forward?
- What time frame is reasonable for implementing some of these ideas?
- How will we monitor and evaluate progress?
